Dear Jeff,

Thank you for your generous donation of \$1,000.00 on September 6, 2019, to the Cameron K. Gallagher Foundation in support of the Dominion Payroll SpeakUp5k presented by Children's Hospital of Richmond at VCU. You are supporting our mission to impact lives through education, awareness, and understanding of teen depression and anxiety.

Our daughter, Cameron, inspired the CKG Foundation. She faced her own struggles with depression and anxiety, and knew that many other teens were also privately fighting this battle. She knew the statistics - mental illness affects one out of every five teens - but she understood that the more people "SpeakUp," the more people realize they are not alone, helping to reduce the stigma attached to mental health.

To learn more about our efforts in the community, including our free teen programming, our SpeakUp5k race series, and our SpeakUp race team, please visit our website, follow us on social media, or contact us directly at 804-528-5000.

Walking, strolling, running together, we are showing teens that they are not alone. We are grateful for your generosity and support which enables us to continue to empower teens through education, positively impact families, and to deliver our mission.

Fight. Finish. Faith.

CHESTER PRESBYTERIAN CHURCH

3-8-14

Dear Friends at Chester Village Bank,

On behalf of the Chester Presbyterian Church family we extend our thanks for your help in making the 2014 CARITAS project a success. For 14 nights between Feb 8 and Feb 22 we hosted 40 homeless men. We provided a safe and warm place to sleep, served 1680 meals, provided toiletry kits, showers, haircuts, entertainment, and engaging conversation. The popcorn maker was a hit. God calls us to delect His word, to grow in faith, and to serve all people. Thank you for answering that call.

Great piece about PPP in Virginia, with Mark Smith and Douglas Jones representing Central VA small biz owners beautifully. Also shares well-deserved high praise for the work of William G. Foster and Village Bank as well as the team at Atlantic Union Bank for getting loans to businesses fast. Praises Agoodnews Richmond Times-Dispatch

I've come to the realization that banks are a lot like leaders. When times are good you can get away with a mediocre one or even a bad one. But when times are tough, you'll wish you had made better choices. Even though we didn't previously bank with Village Bank, Jeff Cook and the rest of their team came through for us when we needed it.

We are moving all of our business banking over to them and we now clearly see the importance of having a solid relationship with a local bank. I'm embarrassed it took a global pandemic to make us realize it.

Thanks for the shout out Steve! We loved reading this--thanks for choosing Village. I literally almost cried when I got notification of that and I'm going to plug a bank called Village Bank. They did an unbelievable job processing this and giving us the reassurance that we'll be in business for a long time. --Steve Rosser, Owner - Great! Celesti!

Great interview with my friend Steve. I have to second the applause for Village Bank. They have been a tremendous partner during this pandemic. Max Mowbrad has been my company's banker since 1998 and he is an asset to my business.

WEARING OUT POVERTY™

January 30, 2019

Chris Parker  
Village Bank  
13319 Midlothian Turnpike  
Midlothian, VA 23113

Dear Friend,

We are deeply grateful to you for being an important part of Soles4Souls' work. It is through donations like yours that we are able to achieve our mission of creating sustainable jobs and providing relief through the distribution of shoes and clothing around the world.

Together this past year, **we distributed 2,924,851 pairs of shoes** providing short-term and long-term relief to those living in poverty and recovering from disaster all over the world. Behind each of these figures is a name...a face...a story. Like 11-year-old Musa who takes shelter in a Nigerian refugee camp. And the children from a Honduran community who walk up to five miles to get to class. And hurricane victims in the U.S. and Caribbean. Donating the gift of shoes means they, and many others, now have shoes that **protect them from injury and disease; allow them to attend school and help them rebuild their lives.**

*But shoes are just a part of the story.*

Through Clothes4Souls, our clothing division, we also distributed **3,661,195 pieces of clothing.** Donations of clothing offer those we serve much needed protection from the elements. Your energy and efforts are the reasons this kind of impact is possible. We invite you to keep Soles4Souls' mission in mind should you find other opportunities for us to work together. We stand ready to help! **Thank you again for your help and kindness!**

Thanks again for helping us with our mission of **"Wearing out Poverty"™!**

Contribution Date: 11/27/2018

Total Pairs: 496

40 lbs of Used Clothing
